May I bring a cooler or food items to the pool?
 Yes, but glass containers and alcohol are strictly prohibited. Aquatics staff may request to check the cooler; if prohibited items are found, you will be asked to return those to your vehicle.

Can babies wear diapers in the pool?
 In accordance with Texas Dept. of Health (TDH) guidelines, only diapers designed for swimming (such as Little Swimmers®) may be worn in the pool. Children who are not potty trained are encouraged to stay in the baby pool only.

Lost and Found
 The Woodlands Township is not responsible for any items lost or stolen. Lost and found items will be kept for four days before being donated to a local organization.

How can I report a concern?
 As in any emergency, if you see something that needs police, fire, or ambulance assistance please call 911 immediately. Otherwise, please report any unsafe situation or suspicious behavior immediately to the Aquatics Leadership Representative at the pool.
 Township Phone: 281-210-3800
 Email: aquatics@thewoodlandstowship-tx.gov

Do the pools close if it's raining, but not thundering? What is a thunder break?
 Only in rare cases. The pools do not close for rain alone unless it rains hard enough that the bottom of the pool cannot be seen by the lifeguard staff.

A thunder break occurs when a staff member hears thunder and/or sees lightning from inside the pool fence. The pool will close and all patrons (lap swimmers included) will be asked to exit the pool and stay back at least 10 feet from the edge of the water. The pool will reopen no more than 30 minutes after the last thunder or lightning occurrence.

Will I receive a "Rain Check" if the pool closes after I have paid to enter?

Yes, but please keep the receipt you are given when you enter the pool. The receipt is the only way to verify when you entered and who you paid for on that day. Before leaving, the front desk will need to stamp the receipt for a raincheck to be applicable.
